

ENOUGH IS ENOUGH – OUR CITY IN UNITY

Our City has been shaken in recent weeks by gun and knife crime, including the tragic death of nine year old Olivia Pratt-Korbel.

It's time for our entire community - blue and red - to come together once again. If you know anything or have any information, please let the authorities know. Keeping quiet is not an option.

As a mark of respect for Olivia, her family and all those impacted by gun and knife crime in our City, we ask all supporters to take part in a minute's applause and to sing "Merseyside" when the match clock reaches 9 minutes in Saturday's Merseyside Derby.

Enough is Enough.
